Join Sage City Live roundtable host:
Louis Araiza "Big Louie"

Known in Sage City as "Big Louie," Louis Araiza is presently CFO at Global Valve and Controls, but his connection to Sage goes back nearly 20 years. Originally starting with Level 2 in the Master* Accounting*Series of the 1990s, Louis has been a long-time participant in past Sage support forums. A top contributor in Sage City, Louis brings a wealth of knowledge and experience to the community thanks to his long history with many Sage solutions—including Sage 100 ERP and Sage CRM, as well as Sage Alerts and Workflow—and the related consulting he's done over the years as an original member of 90Minds. Proud to have been a past presenter at Sage Summit as well as the Sage City 2014 VIP, Louis is often sought out to do contract work with both Sage users and partners all over the United States.
